On behalf of over 1200 members of the International Union of Police Associations (I.U.P.A.) Local 6020, the current union representing the Deputies and Sergeants for the Broward County Sheriff's Office, we are pleased to see House Joint Resolution 1 passed through the Florida Legislature and now appear on the ballot in the general election on November 8, 2022. If this amendment passes in the general election then classroom teachers, law enforcement officers, correctional officers, firefighters, emergency medical technicians, paramedics, child-welfare services professionals, active-duty military members and Florida National Guard members would receive an additional \$50,000 homestead exemption and take effect on January 1, 2023. This extra homestead exemption would be a great show of appreciation for all the work the people of these honorable professions do. This extra homestead exemption would also be a recruiting incentive for people to pursue careers in professions which are the backbone of our society.

The Deputies and Sergeants of the I.U.P.A. Local 6020 would be very appreciative for your support of this amendment going in to the general election in helping gather support from the public for it. Thank you very much for your consideration.

Very Respectfully the I.U.P.A. Local 6020 Executive Committee,

Jason Zehler

President of the I.U.P.A. Local 6020

Matt Cowart

Vice President of the I.U.P.A. Local 6020
