Dear Sheriff Tony:

The International Union of Police Associations (I.U.P.A.) Local 6020, the union representing the Department of Law Enforcement Deputies and Sergeants for the Broward County Sheriff's Office currently represent approximately 1200 members. As the Sheriff of Broward County, one of your top priorities is the success of the Broward County Sheriff's Office. The I.U.P.A. Local 6020 wants the Broward County Sheriff's Office to succeed as well. The members of the I.U.P.A. Local 6020 are dedicated and work tirelessly to provide the best service possible to the residents of Broward County in order for the Broward County Sheriff's Office to be successful.

The I.U.P.A Local 6020 looks forward to a professional relationship with you and your administration to provide the best wages and benefits possible in order to maximize retention of our members who are also employees of the Broward County Sheriff's Office. In April 2022, the members ratified a new collective bargaining agreement with the Broward County Sheriff's Office that includes a re-opener for the cost-of living adjustments for year two, beginning October 2022, and for year three, beginning October 2023. As year two of this collective bargaining agreement approaches, we recognize the value of a concerted effort, both the I.U.P.A. Local 6020 and Broward County Sheriff's Office, jointly focused toward maximizing the cost-of-living adjustments in year two and year three for your deserving deputies and sergeants. We would like to extend our full support in any budgetary workshops which may be held between the Broward County Sheriff's Office and the Broward County Commission. The I.U.P.A. Local 6020 extends the full assistance of our Labor Attorney Holly Olivia Van Horsten, Attorney Mike Finesilver, and that of our Executive
