Miami-Dade Police: A Miami-Dade Police Officer was shot last night. Please keep the Miami-Dade Police Department, the involved officer, and their family in your thoughts and prayers.

I.U.P.A. and Command Meeting: The I.U.P.A. Local 6020, met with Sheriff Tony and members of his command staff on Thursday, August 11. Both sides expressed a desire to work together on a variety of topics to include approaching the Broward County Commission as a unified group when requesting additional money for a raise rather than on a divided front at impasse and a united lobbying effort to have the Florida Retirement System returned to just requiring first responders to work 25 years of service with a cost of living adjustment.

Florida Retirement System Proposed Legislative Update: The I.U.P.A. Local 6020, our parent union- the International Union of Police Associations, and the International Association of Fire Fighters (IAFF) have united our efforts to have the Florida Retirement System returned to just requiring first responders work 25 years of credible service to receive their pension with a cost of living adjustment. The I.U.P.A. Local 6020 has been in contact with multiple legislators and will keep the membership updated as this progresses. Following the meeting with Sheriff Tony and command staff, the I.U.P.A. Local 6020 will also be partnering with BSO's Government Affairs Department who can assist in advocating for this change. President Cabral's letter to the IAFF Statewide President can be viewed at [President-Cabrals-Letter-to-Presdient-Bernoska-08.04.22.pdf \(iupa.org\)](#)

Enough is Enough: I.U.P.A. Local 6020 Secretary-Treasurer Greg LaCerra did an interview with NBC Miami and spoke out about the horrendous attacks on their due process. Charges should've never been filed by the Broward State Attorney's Office. From the beginning Attorney Ben Crump strong armed and hijacked due process in this case by accusing the Broward State Attorney's Office of racism because he disagreed with the charges filed. Attorney Sue-Ann Robinson after a not guilty verdict in this case accused the courts and the jury of being racists. Attorneys like every profession have rules to follow and Ben Crump and Sue-Ann Robinson violated their Oath of Admission to the Florida Bar. The I.U.P.A. Local 6020 demands accountability and has filed bar complaints with the Florida Bar. The Florida Bar must hold Ben Crump and Sue-Ann Robinson accountable! The attacks on law enforcement and our system of justice by these rogue attorneys NEEDS TO STOP! Ron Thurston Arbitration: I.U.P.A. Local 6020 Member Ron Thurston's arbitration has been set for Wednesday, August 24. The I.U.P.A. Local 6020 will keep the membership informed as the arbitration progresses. The I.U.P.A. Local 6020 has an attorney representing Ron Thurston and is optimistic Ron Thurston will emerge victorious.

Legislative Efforts: The parent union, the International Union of Police Associations, is also advocating for legislation beneficial to law enforcement. Below are some recent letters drafted by International President Cabral to elected officials across the country.

***The Social Security Fairness Bill** repeals provisions that reduce Social Security benefits for individuals who receive other benefits, such as a pension from a state or local government. President Cabral has written to United States Congress Members Kevin McCarthy and Nancy Pelosi urging them allow the bill to be brought before Congress.

***Senate Resolution 732** states the Senate will recognize there is an ongoing and growing crisis at the southern border of the United States, commends Border Patrol agents who were deployed to the southern border, and that the Department of Homeland Security should commend rather than punish Border Patrol Agents who responded to the crisis. International President Cabral has written to Senator Ted Cruz commending him for introducing the resolution.

The **Invest to Protect Act** provides money to departments with 200 offices or less. Invest to Protect funds may be used on mental health resources for first responders and additional training.
